Dear Mr. Dax Roy,

People are *still* raving about how great our 70's party that your company DJ'd in March 2002 was. I'm afraid I was a bit intoxicated by the end of the party, and cannot remember exactly which of your associates did the gig. Is whoever was in the attached picture available for this Halloween, Friday, October 31st? My husband and I would love to have him DJ our party. It will be held in our home again at 11230 Stanley Aubin Lane, Baton Rouge, LA 70816, from 7pm to 1am. We would like to have dance music, heavy on the 70's, with lights and fog. We will be inviting about 50 guests and the DJ may begin setup at 6pm.

Please let me know if the gentleman in the attached photo is available for October 31.

Please make any comments or suggestions that would be helpful to us.

The DJ and lights "made" the party. I've never received so many compliments about a party before - I even got some "Thank You" notes! The extensive song selection allowed us to maintain the 70's theme all evening.
